## se:café team table

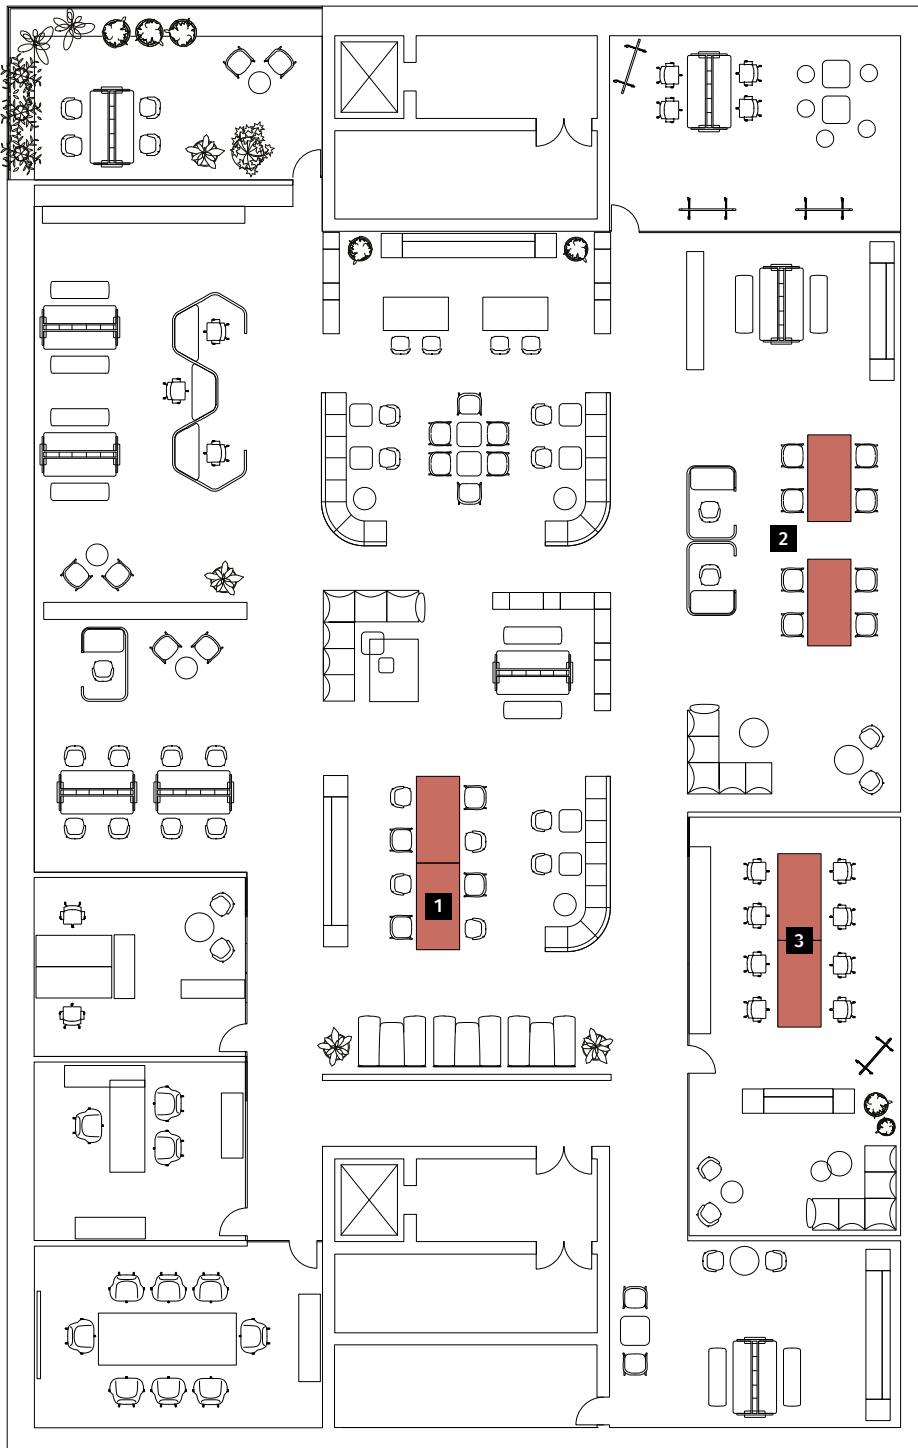

A central meeting point for everyone

Your Sedus team table forms the centrepiece of modern working environments in the Sedus Smart Café. As an eyecatcher and functional centrepiece, it creates a place for exchange, collaboration and social interaction in the office. With an impressive span of up to 4800 mm, the table offers space for up to 14 people, making it the ideal centre for teamwork, meetings or filling up on energy. Its high-quality, veneered surfaces and natural design give the table an inviting and timeless aesthetic that blends perfectly into a variety of workspaces. Whether for work in an open-plan office, for meetings or as a meeting point for after-work dinners – the se:café team table supports a wide range of usage scenarios and promotes a sense of community within the company. With its versatility, the se:café team table becomes a symbol for connecting work and meeting in the modern office. It is not just a piece of furniture, but a place where identification, creativity and collaboration can be experienced.

## ● se:café team table

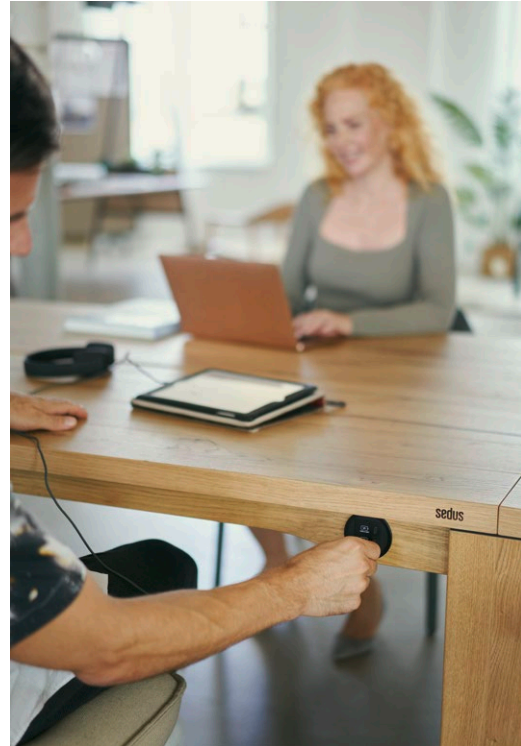

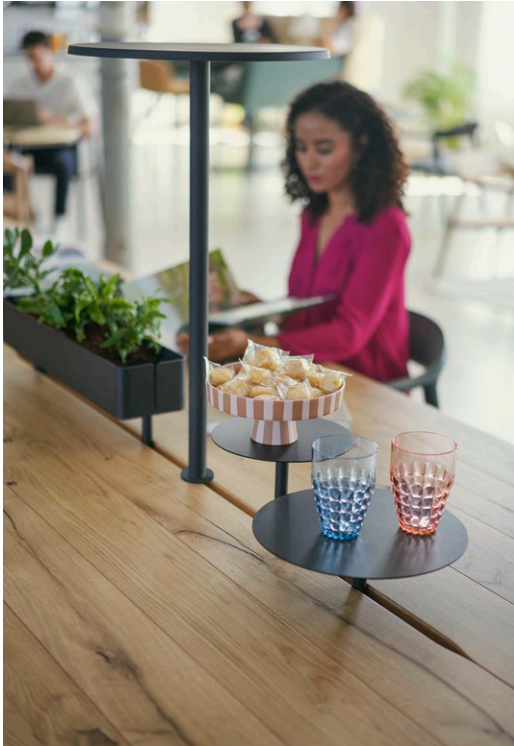

As a long table, the se:café team table strengthens the sense of belonging and is the first port of call for spontaneous meetings in the work café or in lounge areas. The high-quality veneer surface ensures a homely look with an eye-catching character.

# se:café team table

Team table for working and socialising

The se:café team table is the central meeting point of the Smart Café: a place for socialising and working in an open office. As an eyecatcher, it encourages collaboration and creates a homely environment at the same time. The team table has space for up to 14 people, with veneered and natural surfaces. As a place where people can work together during the day, celebrate successes and have an after-work dinner in the evening, it fosters a strong sense of connection and alignment with the company.

### Advantages

- As a central meeting point, e.g. for teams, se:café team table can promote socialising and collaboration.
- Natural materials promote well-being and productivity.
- The group table has a high-quality appearance and conveys value.

## Features

- You can choose between a plank look (with or without functional joint) and a continuous table top.
- The Sedus logo is branded on the edge of the table.
- The surfaces of the table top and table legs (with frame) are identical in colour.
- se:café team table can be designed according to the number of people and can accommodate up to 14 people.
- Generous table dimensions create a long table that serves as a meeting point.
- The group table has Greenguard certification.
- The table has GS certification.
- se:café team table is supported by TÜV Schadstoffgeprüft (Tested for harmful substances).

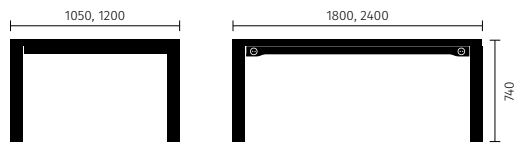

## Options/accessories

- The following table widths are available: 1800 and 2400 mm (one-piece) and 3600 and 2400 mm (two-piece).
- The following table depths can be selected: 1050 and 1200 mm.
- When choosing the plank look, an optional functional joint can be integrated in the table top.
- Optionally, the group table can be equipped with a basic electrical connection under the table top including a black supply cable.
- The electrification is integrated into the table frame and the position can be selected individually (PIX socket or PIX USB charger A/C).
- It is possible to replace electrical components at a later date.
- The following accessories are available for the functional joint: dimmable light with energy-saving automatic switch-off, planter and writing tablet.
